Art Unit: 2816

1. The amendment filed on 7/19/04 has been received and entered in the case.

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

3. Claims 25, 26 and 28 are rejected under 35 U.S.C. 102(b) as being anticipated by Shin.

See the previous office actions for the details of this rejection.

4. Claim 27 is rejected under 35 U.S.C. 103(a) as being unpatentable over Shin in view of O'Shaughnessy et al.

See paragraph six of the previous office action for the details of this rejection.

5. Claims 1, 3-10, 12-15 and 17-24 are allowed.

6. Applicant's arguments filed on 7/19/04 have been fully considered but they are not persuasive.

The argument that claim 25 is allowable is not persuasive because it does not include the limitation that only one of the source follower circuits is selected at any one time. The term

Art Unit: 2816

"independent" in claim 25 can still be read on Shin's Fig. 3 circuit (this term is broadly interpreted to mean that the source follower circuits receive separate control signals, which is clearly the case in Shin's Fig. 3).

7. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kenneth B. Wells whose telephone number is (571)272-1757. The examiner
